Important Information

- ✓ Only eligible expenses incurred during your FSA plan year and while you are a participant are eligible for reimbursement.
- ✓ An expense is incurred when the service is provided – not when you are billed or pay for the service.
- ✓ Any unpaid Dependent Care amounts (due to expenses exceeding the amount in your account at the time of the claim) will be paid out automatically as money accumulates in your account. You do not need to resubmit the claim.
- ✓ You will receive an account summary with each reimbursement in addition to a quarterly account statement.
- ✓ You will have until June 30, 2012 to submit your claims and documentation for expenses incurred while you are a participant during 2011. Any claims postmarked after June 30, 2012 will not be reimbursed.
- ✓ For more information and important rules, read the "Flexible Spending Accounts" section of the Summary Plan Description (SPD). The SPD is available online at mylacountybenefits.com. Click on 2011 Summary Plan Description in "quickLINKS" on the home page.

Reimbursement Instructions

1. After you have incurred an eligible expense during the plan year, complete a claim form.
2. Include the appropriate documentation with a signed claim form. Submit your claim in one of the following ways:
 - Complete this claim form containing your provider signature, address, SSN or Tax ID #, the date of service, and the amount paid. This completed form serves as your receipt.
 - Or, complete this claim form and submit with a receipt from your provider indicating date of service and amount paid. Provider signature and tax ID is not required when submitting a receipt from a properly licensed day care center.
3. If you prefer not to process your claim online (see box above), fax this entire sheet, completed and signed, along with the appropriate documentation using the toll-free fax number 888-

- 367-3305. If you prefer, mail your completed and signed claim form with the documentation attached to: Spending Account Plan Administrator, P.O. Box 67128, Los Angeles, CA 90067. Please keep your original receipts with your tax records and submit legible copies with your claim form.
4. We will reimburse up to the amount you have deposited in your account to date (through your payroll deductions) minus any previous reimbursements.
5. Follow this process throughout the plan year whenever you have an eligible expense. Be sure to "use up" your entire election...if you don't, you will lose the dollars you have left over (according to IRS regulations).
